Profile

Jacob works closely with our clients and is instrumental in helping them overcome the complexities of insurance as well as construction disputes. With a focus on strategy, timeliness, and cost-efficiency, Jacob helps insurance clients and construction professionals from the moment a claim starts until its resolution.

His insurance coverage service offerings include comprehensive coverage advice, drafting opinions, reservation of rights letters, and position letters. Jacob actively assists our clients in coverage investigations and vigilantly monitors the progression of ongoing claims.

For our construction clients, he provides guidance on contract drafting and disputes including builders' liens, professional indemnity, public-private partnerships (P3 projects), and claims around construction deficiency, property, delay and bad faith.

His proactive approach is underscored by his meticulous case assessments at the outset. This enables our clients to gauge their exposure to legal risk and implement well-informed strategies to secure their best outcomes. Recognized for his exceptional legal analysis capabilities, adeptness at quickly distilling complex facts, pragmatic problem-solving skills, and unwavering commitment to delivering solutions that work, Jacob stands as a trusted advocate for our clients.

An inquisitive mind, analytical nature, and an excellent work ethic are all hallmarks of Jacob's practice and have been honed throughout his career. He has represented clients before diverse tribunals, the Provincial Court of British Columbia, the Supreme Court of British Columbia, and the British Columbia Court of Appeal. This extensive courtroom experience equips our clients with a distinct advantage as he swiftly identifies legal issues, key facts, and potential risks. These skills bolster his advisory role, ensuring clients receive holistic guidance throughout their legal proceedings.
