Profile

Brooke works with our Capital Markets, Securities, Mergers & Acquisitions lawyers to assist Canadian and U.S. companies with matters related to annual maintenance, corporate changes, and various corporate transactions.

Brooke is well aware that capital markets and securities laws evolve often. She also knows that efficiency and attention to detail are paramount to the success of our client's goals. With these points in mind, Brooke remains up to date on the legal landscape surrounding capital markets and securities and operates with a detail-oriented approach to help our clients achieve efficient results.

With prior experience as a securities corporate records clerk at the firm, Brooke has dedicated her legal career to date in this specialized field. Her expertise encompasses adept time management, the proficiency to handle multiple tasks within deadlines, and outstanding research skills. These attributes empower her to contribute significantly to the broader team, ensuring the delivery of efficient and effective services to our valued clients.
