The economy is powered by entrepreneurs who create the innovations, products, and services we use every day. Our clients are these entrepreneurs, forging through and fostering the global marketplace. We take pride in bringing to our practice the same creativity and ambition inherent to their entrepreneurialism.

We are a team of creative and connected advisors and deal lawyers who provide strategic advice to clients on all manner and size of transactions in the capital markets arena. From start-ups to billion-dollar listed companies, our priority is to add value to their businesses by providing strategic advice focused on creative and practical solutions that results in commercial growth and success.

Whether navigating complex business combinations, raising capital, or structuring tax-efficient transactions, we work closely with our clients and deal teams to develop innovative solutions that exceed their unique requirements and goals. From offering specialized forward-thinking advice to venture issuers to leveraging our strong platform to tackle the largest M&A or initial public offering, our team is here to assist.

Services

- > Financings, including initial, primary, and secondary public offerings, shelf offerings,

cross-border and MJDS offerings, and private placements

- > Private and public mergers, acquisitions, business combinations, plans of arrangement, spinoffs, and going-private transactions
- > Private equity and venture capital-driven mergers and acquisitions and financings
- > Stock exchange listings and ongoing regulatory compliance for all Canadian and United States stock exchanges and securities commissions
- > National, cross-border, and other multi-jurisdictional offerings and transactions
- > Corporate governance, special committee work, contested transactions, conflict and control issues, proxy contests, and exit negotiations
- > Venture capital structuring, financing, and exit strategies

With our U.S. Capital Markets group, we have several lawyers qualified to practice law in various jurisdictions throughout the United States. Our U.S. Capital Markets group helps companies from all over the world accomplish stock exchange listings, securities issuances, and business transactions in the U.S. We simplify the process of cross-border transactions by eliminating the cost of engaging separate lawyers in the U.S. Our team is particularly experienced with national, cross-border, and other multi-jurisdictional securities offerings and transactions.

Our Private Equity & Venture Capital group is an experienced team of M&A and finance lawyers who provide a broad range of services to participants in private equity and venture capital transactions. We leverage the diverse skills and experience of our Capital Markets team of lawyers, including our U.S. Capital Markets group, and bring a focus on efficiently serving the unique legal requirements of private equity and venture capital transactions. The transactional leaders of the team are supported by specialists in tax, employment, banking, technology, real estate, mining, and other strategic industries.

In addition to business solutions, we provide strategic connections in the capital markets arena to our clients, bringing together key decision-makers to forge collaborations and build networks that accelerate success. Our priority is to create workable strategies so that our clients can grow their overall business and succeed in the global market.
